

BNSC Hires Additional Full Time Director!!!

Boise Nationals Soccer Club is excited to announce the hiring of *Aaron Tooley* to the full time position of *Competitive Director of Coaching*. Aaron will work alongside Director of Coaching, Coe Michaelson, and Academy Director, Matt Reuschle, as BNSC seeks to take the club to the next level. Previously with BNSC in a part time capacity, Aaron has been coaching the U14 BNSC Celtic team and working as an age group Technical Director. Aaron has been a member of the BNSC coaching staff since the spring of 2007, winning State Cup Titles in 2008 and 2009, in addition to numerous other tournaments throughout the west and a place in the quarterfinals of Far West Regionals in 2009 with the BNSC U14 Barcelona team. Prior to moving to Idaho, Aaron coached in North Carolina, having teams ranked as high as the top 5 nationally. Aaron has experience in ODP and also as a former collegiate coach at NCAA Division I High Point University, where he also played and graduated. Aaron is a USSF nationally licensed coach and an English FA certified youth coach. Aaron will work exclusively with the competitive program, with responsibility for competitive coach oversight, competitive team formation, and competitive programs.

Director of Coaching, Coe Michaelson, says, “We are thrilled to have the opportunity to add Aaron to our full time coaching staff. The fact that Aaron has been working as a Technical Director within BNSC for the past 3 years means that this transition will be seamless and the benefits to our families immediate. This is something we have been hoping to do for some time, so the fact that the time has finally arrived is very exciting for BNSC and all those who will benefit from his experience and character.”

I could not be happier that we are able to make this announcement and I have no doubt that Aaron will help us take BNSC to the next level. Aaron has proven himself as not only a quality coach, but as a quality person with the character that fits exceptionally well with our core values and philosophy. Having seen Aaron coach my own son, I can speak from personal experience that our families will benefit immensely from Aaron’s full time involvement in our club. Aaron also will provide an additional resource of support for our teams, coaches, families and operational staff that we identified as being crucial to our immediate and continued success as a club. I look forward to our club’s future and hope that you get a chance to meet Aaron this spring.

Chris Billings
BNSC President
