Boise Nationals Soccer Club

Assessment Payment & Handbook Agreement

(This document and the first payment of $250 are due at Signing Day)

As a non-profit organization, BNSC's soccer mission is to teach sportsmanship, technical excellence, and tactical awareness to its players. The club accomplishes this using a progressive coaching philosophy, a standardized training format and an integrated administration. BNSC is also committed to helping its players succeed academically and pursue community service opportunities that will make them well-rounded leaders. The club is dedicated to its core values of excellence, character, commitment, teamwork, sportsmanship and fun.

Club and team expenses are allocated to the parents through assessments. Assessments are calculated from budgets based on projected club and team expenses. Written assessment notices will be provided to the parents with specific due dates. These assessments must be paid by the date listed on the assessment schedule. Failure to pay the assessment on time may result in the player card being pulled, which results in suspension from participation in training, matches, travel with the team, and other BNSC events until the account is made current. Questions regarding the assessments should be addressed to the team manager, team treasurer or the club treasurer.

Players signing up for BNSC are receiving a 1 year commitment from BNSC and the player is also giving a 1 year commitment to the club in return, both in terms of finances and participation for the seasonal year per IYSA rules of August 1st 2010-July 31st 2011. BNSC will not accommodate transfer or drop requests once a player is committed for the seasonal year.

BNSC has a scholarship program for those families who meet certain criteria. The BNSC Scholarship Committee awards scholarships to families each season. Scholarship Applications must be submitted by the team registration meeting in order to be considered.

All club policies are contained in the BNSC Handbook (available on www.boisenationals.com) including, but not limited to, details on assessments, travel, tournament participation, billing, delinquent accounts and scholarships. By signing this form you acknowledge acceptance of all policies and procedures contained in the BNSC Handbook.
