

you are
on the tee!

The Sara Lee TICKETS Fore CHARITY™ program has generated nearly \$1.7 million for Boise area non-profit organizations since its inception, over \$575,000 in 2007 alone! Best of all, each organization gets to keep **100%** of the money raised from their ticket sales. Together with your help, we are striving for new heights with respect to the tournament's impact on the community and the quality of life for children in Idaho.

Each organization selling tickets participates in the \$50,000 Bonus Pool provided by SUPERVALU and Sara Lee. The Bonus Pool is divided amongst the benefiting charities based on each organization's percentage of total ticket revenue from the TICKETS Fore CHARITY program. As you can imagine this is an incredible opportunity to support your favorite non-profit organization that positively impacts the quality of life for young people in Idaho throughout the year.

100% of the proceeds from this ticket sale goes directly to your charity!
